

PRODUTTORI DEL BARBARESCO Barbaresco DOCG 2009

PIEMONTE

June 2013

"The 2009 Barbaresco shows personality and good cheer with a good dose of dried fruit and savory spice. There are some elements that make the wine seem more aged than it really is. Cured meat and old leather emerge. But then the wine suddenly surprises you with an entourage of Nebbiolo-based tones like dried mint and licorice that tell you it still has loads of life within.

Anticipated maturity: 2014-2022."
