

PRODUTTORI DEL BARBARESCO Barbaresco Riserva Muncagota 2011

PIEMONTE

June 30, 2016

“The 2011 Barbaresco Riserva Muncagota is reflective of the warm vintage. This is a solid and slightly rigid expression that shows hints of cherry marmalade, rum cake and prune. Those heavy aromas lift to reveal a wine with dark red cherry and mild spice at its core. Subtle background tones of balsam herb and rosemary oil add extra dimension. In the mouth, the wine delivers a point of sharpness or tartness. Overall, this wine is not as open as the others in this beautiful series of Riserva wines.”
