

PRODUTTORI DEL BARBARESCO Barbaresco Riserva Rio Sordo 2011

PIEMONTE

June 30, 2016

“The Rio Sordo cru is known for medium-bodied wines that show elegance and finesse. The 2011 Barbaresco Riserva Rio Sordo is my favorite wine among this set of new Riserva releases. This gorgeous wine is seamless in approach with balanced aromatic intensity that bridges dark fruit aromas against ethereal notes of cola, tar and licorice. There is an irresistible dash of white truffle buried deep within. The wine is powerful and firmly constructed, but the quality of the tannins is silky and polished.”
