Antonio Galloni, November 2022

The 2021 Langhe Nebbiolo is a serious wine that will give readers a very good idea of what is in store with this vintage. Just bottled, the 2021 shows great depth and tons of character. Firm tannins wrap around a core of dark red Nebbiolo, with embryonic hints of spice and flowers that develop with a bit of air. As always, the Produttori's Langhe Nebbiolo is made 100% from Barbaresco-designated vineyards. The 2021 spent 20 days on the skins, unheard of for a wine at this level. It is, quite frankly, better than a few wines from more prestigious appellations. Don't miss it.
